Dr Mark Ginter  
St Joseph's Holy Family, Inc  
25992 Cottonwood Rd  
Bristow, IN 47515

Dear Dr Ginter,

Peace! I wish to express my gratitude to you for hosting the St Romuald Parish Seniors Group last week at God's Country. Parishioners are still talking about how powerful a spiritual experience they had with the various prayer times, liturgies and your presentations. I especially appreciated hearing your presentation on prayer in the afternoon, and the history of God's providence in working to bring about the ministry of God's Country and St Joseph's Holy Family association. All of our parishioners considered the day a retreat and God's Country a pilgrimage site! I testify to the spiritual fruit of the day for all of us. I recommend your leadership as a retreat director and God's country as a destination for any church group seeking renewal or refreshment.

Our parish group was certainly blessed through our time on the holy grounds of God's Country. The outdoor Rosary and Stations of the Cross, and the time in the Chapel area and our picnic lunch together really drew our pilgrims together. Your gracious hospitality and offering of conferences and intercessory prayer blessed us abundantly. Thank you again for welcoming us so warmly and opening the grounds for our group's trip. You blessed our parish with your prayer leadership and the presentations on Catholic Life and Saints. May God continue to bless you in your ministry of prayer and holy family renewal, as you seek to serve God's People as helper and servant to our Gardener (John 20:15).

Our parish eagerly looks forward to returning to God's Country soon, with other groups for occasions as a staff development retreat, youth ministry pilgrimage or 'families together prayer and picnic afternoons'.

Sincerely Yours in Christ,

  
Rev Brian Johnson

Pastor, St Romuald Parish
